

The Jimmy Buffett Labor Day Weekend Show

Headin' up to Allatoona
For the Labor Day week-end show
I've got my Topsiders on
I guess I never was meant for tack, gybe & roll
And honey I didn't know
That I'd be sailin' so slow

Come Sunday, it'll be all right
Come Monday, I'll be sailin' her right
I spent 3 fun filled days in a wind that still pays
And I just want you back for the ride
